Hands-on Class in Cocktail Making

Ever wanted to impress by throwing together an elegant cocktail at the drop of a hat? Now here's your chance to master the craft of mixology with your friends at one of our private classes.

Enjoy learning the tricks of the trade, understand the science of the spirits, and delve into the history and stories behind some of the world's most famous cocktails.

When your group arrives at Miss Moneypenny's, they will be welcomed with a glass of chilled sparkling wine.

You will then be shown to the cocktail bar where your expert mixologist will be introduced, and you will receive a free flow of delicious freshly-made Napoli style pizzas.

Then starts the real fun. Here begins your journey into the art of cocktail making. Your group will be led through an interactive demonstration where you will make three of your very own cocktails to enjoy.

At the end of the lesson each guest will receive a take home cocktail recipe card to wow friends with their new mixology skills.
